

**Digital Age**  
**Research** really  
treats the Internet as  
its panel, it's a core  
part of our world;  
**we respect it, we**  
**understand it.**

**DIGITAL AGE**  
**RESEARCH**

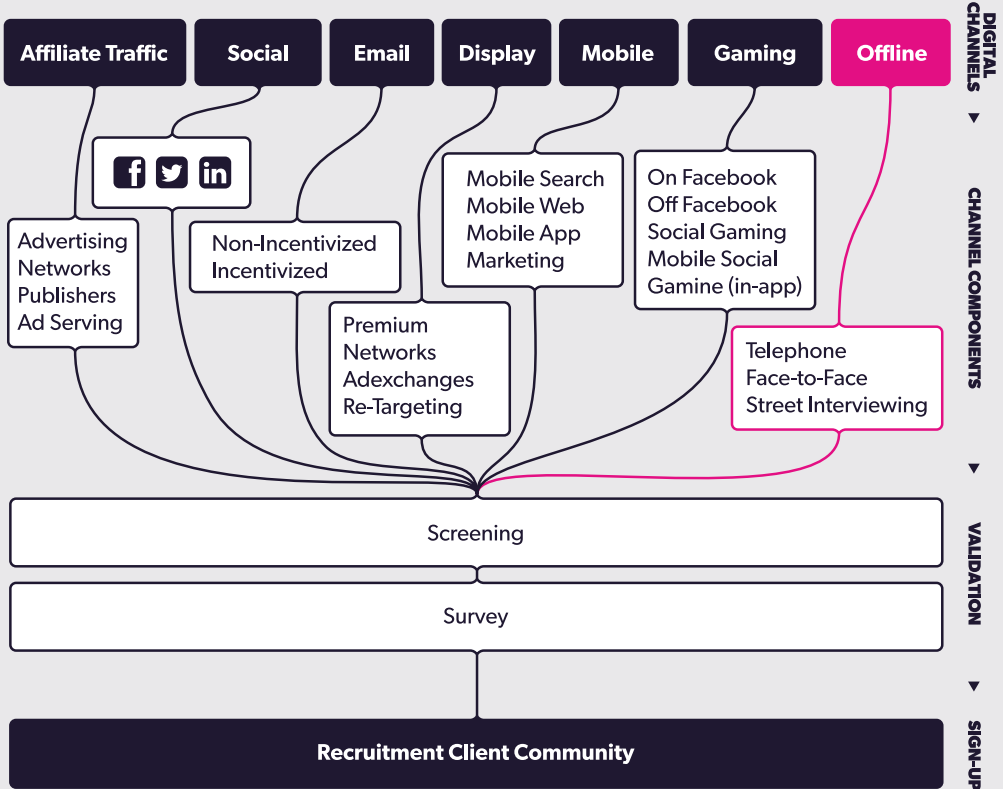

## SMART SAMPLING

**Digital Age Research** grants you access to millions of respondents through a multitude of channels with panels globally, nearly 100 million email records, over 5.1 billion mobile handsets, over 1 million mobile applications, and much more, making the internet our panel.

Through our **multi digital channel** approach we successfully run surveys in countries where

building panels is unfeasible, and reach numbers of completes in a short span of time, which is impossible to do in any single panel.

Whether you are looking for white goods buyers or specialist mobile phone owners, we have the ability to **tailor your consumer target needs**, from our vast reach whilst ensuring quality and efficiency in the whole process.
